Presenting our 8th
***A Little Help From Our Friends
Stitching Circle***

Running November 2023
through November-ish of 2024!

We are proud to feature designs from Artful Offerings, October House, Pansy Patch, Scarlett House and The Drawn Thread.

Delightful offerings approx every other month... till November of 2024... these ladies will do their designing best to bring us pin-cushion-sized projects. Everything around 70 x 70 to 90 x 90 in stitch count... stitching, friendship or home sweet home themes... we're mindful of stitching time and budgets!

Every 8 weeks (or so!) we'll be sending you a fun pin-cushion-sized design, that will be kitted with fabric and threads (occasionally trim too). Our target budget this year is around \$45 per kit. We always tuck in some sort of bonus 'treasure or what-not... hopefully a functional needlework trinket or something cute that goes with our project. Our Designers will do their best to bring you something charming, we promise! Everybody loves surprises in the mail... and these certainly fit the bill!

Please call or e-mail us to RE-UP for this next cycle of 'A Little Help From Our Friends' We **do not** automatically 'roll you over' unless we hear from you! Registration will be open for only a few weeks!
